

MEET THE LEADING CANDIDATES FOR MAYOR

FoNTRA has scheduled two evenings for members of FoNTRA organizations to meet the four leading Toronto candidates for Mayor. No media will be present, giving an unrivalled opportunity for frank discussion.

The format of these meetings will be different from an all candidates meeting in that only one candidate will be present at any time, offering a one-on-one opportunity. Each session will start with the Candidate's summary of their platform (15 - 20 minutes), followed by a question/answer/session of approximately one hour.
